March 1st 2008

From the Desk of the FCSN Afterschool Program Co-ordinator

Dear Parents,

The afterschool program started off well. The kids are having fun. They are learning new skills and getting accustomed to one another. Slowly, they are shedding off their anxieties of a new place and new people. Some of the kids have started to eat new fruits and grains, which they had not in the past. This is a big reason for us to be happy. Hope they learn to try new foods from the food group.

The weather is changing for the better and we are taking advantage of it. During playtime, we play games outside like tag, kicking a soccer ball to one another, chasing bubbles. During this time, we heard a whole lot of giggles from the kids. Some of them used up their supply of energy chasing one another.

On Thursdays, you would have noticed your child returning home with paint stained clothes. It would be helpful if you could send old oversized T-shirts with their names marked on it. These will be used as smocks when they do artwork.

29th Feb. was Leap Day. During study time, the kids were introduced to this special day in a simple way. They made Leap day craft. They even made a mini book on a Frog's life cycle though frog has nothing to do with Leap day....except that it leaps.

We will be marching into the month of March for more fun, giggles and knowledge. St. Patrick's Day and Easter is fast approaching. We will be doing fun stuff relating to these events on the following days:

Upcoming Events

St. Patrick's Day craft & games

- Friday, March 14
- Please send your kid dressed in green if possible.

Easter egg hunt

- Thursday, March 20
- We will be going on an Easter egg hunt in our yard, will have other fun Easter related things going on.

Reminders to Parents!

- Send Oversized Light colored T-Shirts.
- Yeah! Daylight Savings begins on the 9th of this month. Spring is finally arriving.
- We will be closed for Spring Break, which is from 21 March until 28 March 2008.

Happy Spring,

Nesa Wilson
